EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims,

In claim 29, line 1: "for applying" has been inserted after --system--, because Applicant failed to include these two necessary words, which words had been in claim 29, submitted 21 June 2010, which version of claim 29 had been indicated as allowable in the office action mailed 31 August 2010;

In claim 29, line 4: "for applying" has been deleted, because Applicant added these two words at random into the claim in this location, though the previous version of claim 29 did not include these words in this location, and the words do not appear to belong in this location, as they make no sense in this location.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LEO T. HINZE whose telephone number is (571)272-2864. The examiner can normally be reached on M-F 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on 571.272.2258. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
